## How to use the AUSIT Learnbook

The AUSIT Learnbook is an exciting and interactive communicative and educational platform with features like the AUSIT members' Discussion Forums and Professional Development courses.

To be able to access these features, you must first register for the AUSIT Learnbook Platform.

**Registration for the Learnbook** is only required once and **is different to registering as an AUSIT member** or self-enrolling in the various forums/courses.

**Please note:** Registration for the AUSIT Learnbook is not instantaneous as it has to be validated by a Learnbook administrator and **you will receive an email within 5 – 7 business days when your account is confirmed and ready to use**. Please send any questions about this process to [learnbook@ausit.org](mailto:learnbook@ausit.org).

## How do I access Professional Development courses?

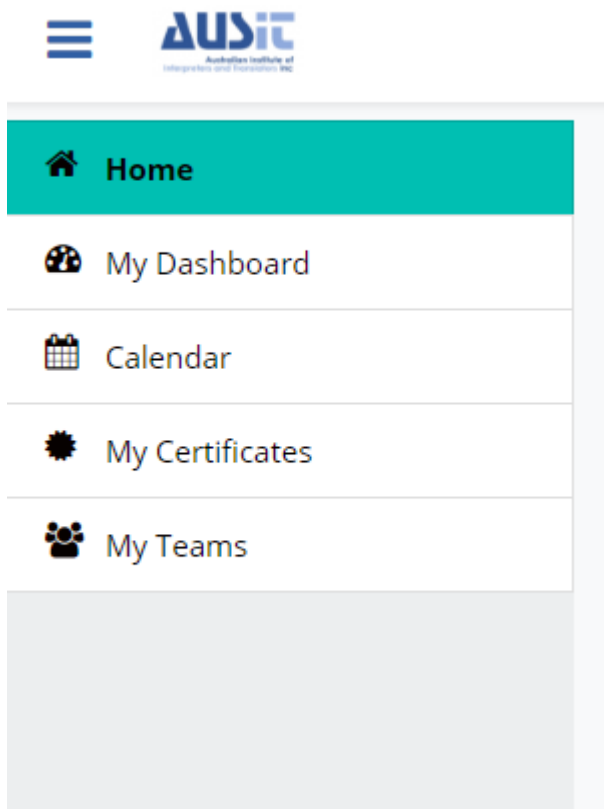

Some PDs are open to all AUSIT members and to access them (after [registering for the AUSIT Learnbook Platform](#)), you will only need to [self-enrol in that PD](#). You are not able to self-enrol in some courses/PDs for the following reasons:

- You may not be part of the group which is eligible for access to that course
  - If you think a mistake has been made, email [learnbook@ausit.org](mailto:learnbook@ausit.org)
- Some courses are not free for members and only registered participants will be added
  - Look for the line “Open to all AUSIT members.” under the title to check if this course is free for all AUSIT members or only registered participants.
- The course may not yet be available
  - If you think a mistake has been made, email [learnbook@ausit.org](mailto:learnbook@ausit.org)
